

New Potatoes with Basil

Pierce potatoes in several places with fork. Melt 1/4 stick butter in a large skillet over medium heat. Add potatoes and season with salt and pepper. Cover and cook until almost tender, stir occasionally. Add 2 Tbls basil, shallots, and garlic. Reduce to medium-low; cover and cook until potatoes are brown and tender. Continue cooking and stirring for another 10 minutes. Season with more salt and pepper, transfer to bowl, and sprinkle with more basil.
